

(i) IN GENERAL.—In this paragraph, the term “cyber attack” means an incident determined by the Attorney General to be an unauthorized intrusion or attack on or through a computer system or asset that causes damage or disruption to the operation or integrity of critical infrastructure that results in—

(I) loss of life, serious physical injury, or the substantial interruption of life-sustaining services;

(II) catastrophic economic damage to the United States, including—

(aa) failure or substantial disruption of a United States financial market;

(bb) incapacitation or sustained disruption of a transportation system; or

(cc) other systemic, long-term damage to the United States economy; or

(III) severe degradation of national security or national security capabilities, including intelligence and defense functions.

(ii) NO JUDICIAL REVIEW.—A determination by the Attorney General under clause (i) shall not be subject to judicial review.

(B) LIMITATION.—In any civil action for damages directly caused by a cyber attack, a certified owner shall not be liable for any punitive damages intended to punish or deter if the certified owner is in compliance with the appropriate cybersecurity practices at the time of the incident related to that cyber risk.

SA 2742. Mr. TESTER submitted an amendment intended to be proposed by him to the bill S. 3414, to enhance the security and resiliency of the cyber and communications infrastructure of the United States; which was ordered to lie on the table; as follows:

On page 186, beginning on line 14, strike “for the timely destruction of cybersecurity threat indicators that” and insert “to destroy cybersecurity threat indicators not later than 1 year after such indicators”.
